MEMORANDUM FOR: Comptroller

FROM: Harry E. Fitzwater  
Deputy Director for Administration

SUBJECT: Request to Reprogram FY1983 Funds

REFERENCE: DDA 83-1697, dated 06 July 1983

1. As you know the Office of Communications (OC) intended to fund, at \$450 thousand, an A&E study and subsequent construction to effect the renovation and refurbishment of [redacted] auditorium. Further study, in coordination with the Office of Logistics, has determined that while the proposed renovations are technically sound it would not be economically feasible to fund the entire project in 1983. The risks inherent in trying to accomplish too much in too short a time are unacceptable. We now propose to fund an A&E study costing \$30 thousand in 1983 and reprogram \$420 thousand to purchase [redacted] equipment in 1983. The [redacted] project would repay the \$420K in 1984 to accomplish the renovation and refurbishment of the [redacted] auditorium. [redacted]

2. Your approval is requested to reprogram \$420 thousand from the Warrenton auditorium project to the [redacted]. The entire amount (\$420 thousand) would be required in the form of PRA and would be used to purchase equipment. [redacted]
